| <b>Total</b>   | <b>12</b>      |

**3 Semester Total Credits**  
**28.5**

Students accepted into the nursing program must maintain a “C” or better in each required course (nursing and non-nursing). All prerequisites must be completed with a "C" or better. Failure to complete any of these courses successfully and/or within the allotted semester will result in the student not progressing with their cohort and being held out for the following semester, with the exclusion of the summer semester. These courses must be successfully completed as listed in the Associate Degree nursing curriculum in order to progress in the nursing program.

\*\*\*Elective: Arts & Humanities or Social & Behavioral Sciences
